Ranger Series 6 500/5

## Ranger Series 6 Providing you with more for less

Ranger has been instrumental in bringing the joys of a touring caravan holiday to a wider audience for over a decade, providing a range of well designed, well equipped yet affordable vehicles for a new generation of caravanners. Series 6 continues very much in the same vein with a line-up offering a choice of six layouts including the new compact end kitchen Ranger 380/2 and single axle fixed bed Ranger 520/4. All models feature a state of the art exterior body shell, cloaked in new impact resistant 3000 Series aluminium, that is supplied with a market leading six year integrity guarantee to provide long term peace of mind.

Interiors are enhanced with the introduction of new high quality furniture and flooring finishes plus the modern 'Mendip' soft furnishings scheme, supplied with both bolster and scatter cushions for extra comfort, to give the class-leading Ranger fresh appeal. Specifications remain exceptionally high for a tourer in this price bracket, with a Status 530 directional television aerial, a Thetford 107 litre refrigerator and the new Thetford C-250 cassette toilet now included as standard. Supplied with some of the lightest unladen weights available and at an unbeatable retail price, Series 6 continues to set the standards for a value for money caravan by providing owners with more for less.

Ranger 500/5

## Ranger Series 6

### Specification includes:

Where comfort meets affordability

Ranger GT60 Series 6 540/6

## Ranger GT60 Series 6 Where comfort meets affordability

Every Bailey caravan incorporates the design expertise that only sixty years of caravan manufacturing can bring. This know-how has culminated in the production of the new limited edition Ranger GT60 Series 6, a caravan range that brings a totally unique combination of comfort and affordability to the market.

The range consists of eight light weight layouts including the new single axle nearside fixed bed Ranger GT60 520/4. Models enjoy all of the benefits included in the standard Ranger products plus a number of substantial specification enhancements normally only found in more expensive products.

Outside these include, amongst others, 14" alloy wheels, an AL-KO AKS 3004 stabiliser and AL-KO shock absorbers to ensure you travel in safety and arrive in style. Whilst inside home comforts such as a microwave oven and a branded Radio/CD/MP3 player with iPod connectivity are also included as standard, making Ranger GT60 a very special caravan - available now at a very special price.

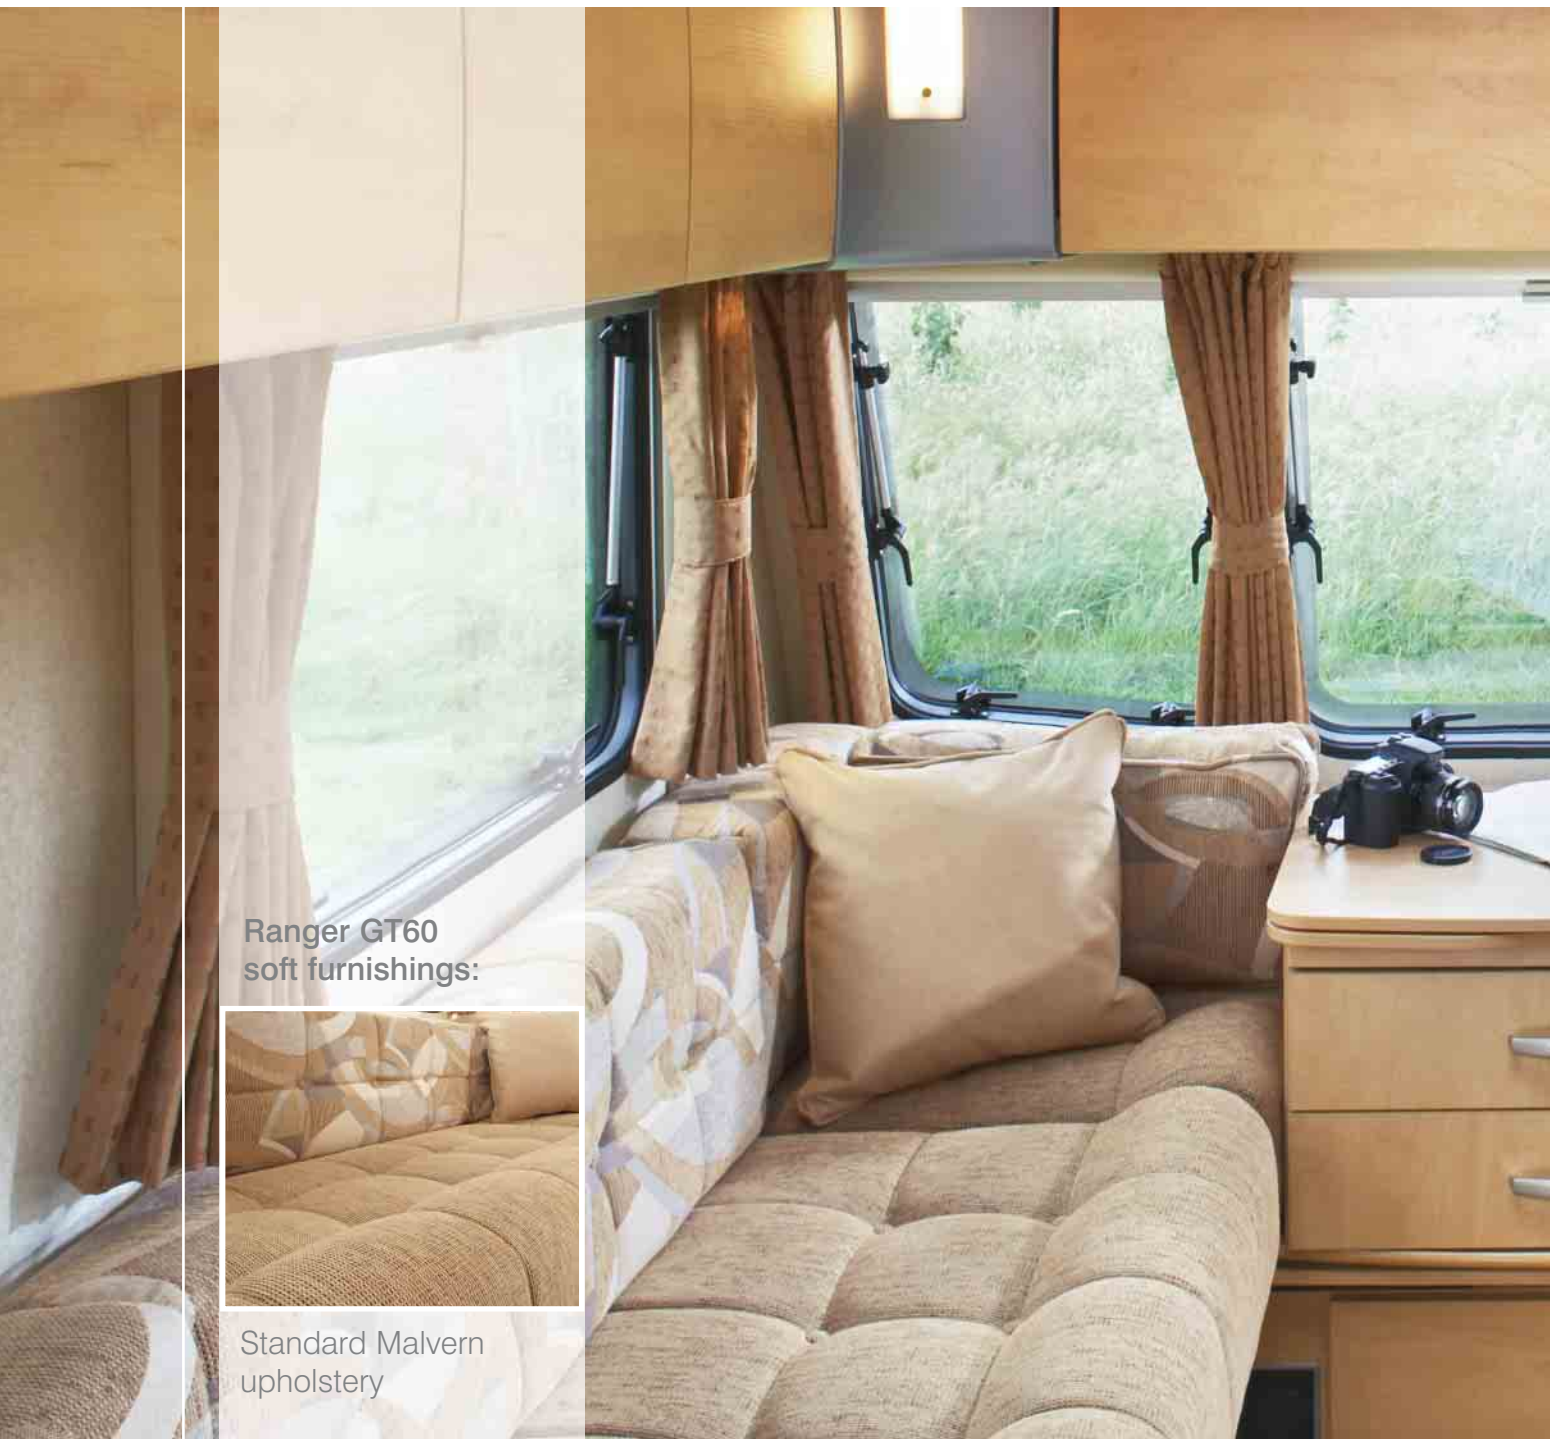

Ranger GT60 520/4

## Ranger GT60 Series 6

### Specification includes:

- 14" Alloy wheels with low profile tyres
- AL-KO AKS 3004 Stabiliser

# Pageant Series 7

Enjoy the five star experience

## Pageant Series 7 Enjoy the five star experience

Pageant has delivered over twenty years of award winning performance, which has seen it become the first choice of the discerning caravan owner.

The Series-7 line up features a comprehensive range of ten models, including the new Ardennes & Sancerre layouts, all of which are now built in a 7'6" wide fully bonded shell.

Outside models include the AL-KO ATC Trailer Control System as standard which, in conjunction with the AL-KO AKS 3004 stabiliser, will ensure that your new investment remains safe on the road.

Inside Italian styled furniture in contemporary new Bailey 'teak' wood veneer, combines with a choice of two luxurious Belgian fabric soft furnishing options, supplied with a full complement of bolster and scatter cushions, to give interiors the ultimate blend of style and comfort.

Packed with home comforts, including a new 115 litre Dometic refrigerator, a microwave oven and a branded stereo Radio/CD/MP3 player with iPod connectivity, Pageant Series 7 allows new owners to enjoy the five star experience without the five star price tag.

# Senator Series 6

A new dimension in comfort and practicality

## Senator Series 6 A new dimension in comfort and practicality

Incorporating the design expertise that has won numerous product awards in recent years, Senator is now firmly established as one of the most well-made and well-equipped touring homes available today.

The Series 6 line up features seven established layouts plus the all new California, a single axle fixed bed caravan with a transverse end washroom. All models are built in a 7'6" wide fully bonded shell, supplied with a six year integrity guarantee, to provide an extra dimension in comfort and practicality.

Outside models now feature the latest AL-KO ATC Trailer Control system and a TRACKER Monitor Stolen Vehicle Recovery system which, combined with the AL-KO AKS 3004 stabiliser and the AL-KO Secure portable wheel lock, will ensure that your new investment remains both safe on the road and secure on site.

Inside the interior décor featuring a choice of three contrasting soft furnishing options and premium quality fixtures and fittings in matt nickel, has been expertly refined to give Senator that unmistakable touch of class. Whilst a five star equipment manifesto is further enhanced with the introduction of the latest Dometic 115 litre refrigerator with a removable freezer compartment and a state of the art home entertainment system featuring a Radio/CD/MP3/DVD player and a remote control 16" flat screen digital television.

So if you require the very best in touring home design, supplied at a competitive retail price, then there is simply no better choice than Senator.

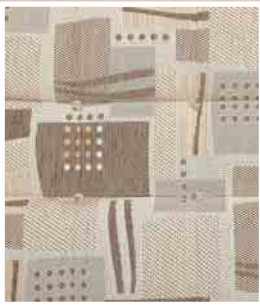

Senator Wyoming

## Senator Series 6
